---

BY DR. AUDI (YEHUDA) GOZLAN

"I have seen many great men. My father was a very prominent Rabbi. My husband, too, was not someone to be ashamed of. Countless great people would visit our home. Still, I never saw someone as great as the Rebbe. Most extraordinary is how he carries his greatness couched in a simple manner."

*Rebbetzin Chana Schneerson, the Rebbe's mother*
